Members' Report

The Members present their report and the financial statement for the year ended 31 March 2024.

Statement of Members' Responsibilities

The Members are responsible for preparing the Members' Report and the financial statements in accordance with applicable law and regulations. Company law as applied to limited liability partnerships by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008, requires the Members to prepare financial statements for each financial year. Under that law the Members have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

Under company law the Members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the LLP and of its profit or loss for that period. In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the LLP will continue in business.

The Members are responsible for keeping adequate accounting records that are sufficient to show and explain the LLP's transactions and disclose with reasonable accuracy at any time the financial position of the LLP and enable them to ensure that its financial statements comply with the Companies Act 2006 as modified by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008. They are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Principal Activity

The principal activity continues to be that of delivering professional development training and digital education consultancy to educators in Scotland as an accredited Apple Professional Learning provider (APLP).
