Quick Comment:

Recieved letter about proposed plan at howdenburn court and I would like to say that I think.

These plans are not acceptable,As in the interest of the community these plans would take away further outside walking areas that are used daily by many residents all over howdenburn and jedburgh many of which are dog walkers and the elderly who cannot walk very far and have been using this area for walking for exercise and for there pets for many years.

If these plans where to go ahead it would take away the public paths which are used daily by the whole community.

Also the paths and surrounding paths are maintained by the public,residents that have used there own time in mowing and strimming this area for years.
