Leave a quick comment about the Proposed Scottish Borders Local Development Plan, or planning and development in general.....

Quick Comment:

I wholeheartedly support this application. I am very aware as are many people that the Galashiels area is in dire need of more housing and in addition with the impact of COVID on local businesses causing even higher unemployment at this current time on this basis I would fully support a local company which can continue to provide continuity of employment not only for directly employed personnel but all the additional subcontractors, material suppliers, local businesses etc
