What are your comments regarding this site?:

I wish it to be noted that I strongly object to proposed development of Gala Academy on Scott Park. It is a key green space that should be protected. It is a significant open, sunny, parkland feature of Galashiels and is quite well used by a variety of people. It provides an amenity important to the health and wellbeing of all current and future generations.

There are other options for building the academy within its current footprint without encroachment into the park. At least one option should be proposed as a viable alternative for public consideration.
