Settlements I to O :

Melrose: AMELR013: Harmony Hall Gardens: Housing

What are your comments regarding this Site?:

This land is currently an old orchard used for community events and with a large variety of established old apples trees that cannot be easily replaced. This is an important attraction in the heart of Melrose which brings in tourists which are critical for local businesses. This location has also been regularly used by Borders Book Festival which has been hugely successful over the years in attracting large numbers of visitors which supports the local economy including jobs.
