Quick Comment:

I am absolutely horrified, really angry, at this primped development. Abbotsford is a real architectural and historic jewel. The grounds offer a tranquil escape from the stress of everyday life. Visitors from all of the world and so many Brits have their lives enriched by this beautiful estate.

What you propose is an outrage. It will scar the landscape and ruin the magical vista from the library of Abbotsford forever. A view so beloved of Sir Walter Scott himself. How can anyone be so crass, really contemptible, to jeopardise that???
