Dear Sirs,  
AGALA029 Netherbarns

With reference to the above renewed development application I wish to record my strong objection. As a volunteer at Abbotsford for over ten years I have come to appreciate the unique value of the house and its surroundings in the context of the Borders heritage. The Netherbarns site overlooks the house and grounds and even with a screen of trees the roofs of houses towards the top of the site near the A7 will almost certainly be intrusively visible from Abbotsford.

I would urge the Council to reject this proposal again.

Ian Skinner
