**Subject:** Objection to proposal AGALA029 Netherbarns in Local Development Plan

**CAUTION:** External Email

As an admirer of Sir Walter Scott, and also of the importance of Abbotsford in celebrating his life and to the Borders economy, I write to object to the building of 45 houses opposite this property and to state that I do not feel that planting a screen of trees will be sufficient to protect the views that are an important part of the providence of this property. I write in support of the Abbotsford Trusts' objections.

Kind regards,

Angus Tulloch
