Quick Comment:

With reference to AGALA029 Netherbarns I wish to lodge my strong objections to this proposed development. The unique beauty and historical significance of the views from and to Abbotsford would be compromised by the development. Our Local Authority should be protecting our heritage in the Scottish Borders to encourage tourism into our area to support the local economy. With the pending opening of the visitor centre in Galashiels it seems to me to be a vandalism to spoil our other most important attraction in the area - the benefits of showcasing along with Abbotsford has huge potential.

Housing developments can be built anywhere - so why permit one which impacts so negatively on our heritage. Elected Members should keep in mind that they are elected to represent the community - not dictate to it. Please refuse permission for this proposal.
