What are your comments regarding this site?:

I am objecting to the building of 45 homes opposite abbotsford. This building and its grounds should be protected and the views from it are part of that. The trees will have to grow to screen the houses and won't be able to hide them in the winter when abbotsford is now open. This year in particular we have come to realise the importance of our outdoor spaces and the way they make us feel. I would like to keep this space special.
