Quick Comment:

The proposed road in the polices and the proposed site for the new school is going to have in unprecedented effect on the wildlife in the policies, the local people who use the polices and park for exercise , walking thier dogs , nature walks from the schools.

The polices are a haven to behold especially in these times, deer , owls, woodpeckers foxes, badgers squirrels, the duck pond to name just a few things that will disappear if this devastation is allowed to happen. Horses also use the polices and it is lovey to interact with all the people who use the polices in so many different ways . I live in Balmoral and was NEVER asked my opinion on this proposed construction.

I wholeheartedly not not want this to happen to this Natural Haven in Galashiels.
