What are your comments regarding this site?:

I can't believe you are planning on building houses directly across the river from Abbotsford House - no matter what you TRY to do in terms of trees etc. there is no possible way that you can make them invisible to visitors to Abbotsford. As a regular visitor to both the house and the grounds I think that what you are trying to do is positively criminal!!!! If this development goes ahead it will be a travesty and there should be a serious investigation into what lies were told to progress it.
