Quick Comment:

As a local resident who regularly walks in the Abbotsford grounds I object to the proposal AGALA029 Netherbarns. We have limited places of interest with such diverse offerings not only for visitors but also locals in our area and Abbotsford House is a gem.

In this current pandemic the importance of having open attractive and accessible space for local residents has never been more important. The walks around Abbotsford and the visitor centre are open all year and the housing development will be directly visible particularly when tree cover is less in the winter months.
