Comment on Sites in Settlements F to H

Which Site are you commenting on?

Settlements F to H:

Galashiels: AGALA029: Netherbarns: Housing

What are your comments regarding this site?:

I consider this proposal as nothing more than environmental, historical and cultural vandalism. There are many other sites to pick which would not impact on a landscape developed by arguably Scotland's greatest literary figure of the enlightenment. Travellers from around the world always comment on how tranquil and rural the setting is and are amazed at how close the view is to Scott's original concept. To change this risks the financial future and further existence of Abbotsford as an extremely important historical site.
