Good morning,

My husband and I are members in good standing of the Dandie Dinmont Terrier Club of America. We object to the AGALA29 Netherbarns development project (referred to as PROJECT in remainder of email) because we feel it will cause undeniable irreparable harm to the region. The Project will significantly impact the unique characteristics of very important and irreplaceable historical, cultural and aesthetic resources vital to the region including Abbotsford.

For example- if the PROJECT moves forward it will destroy Abbotsford's view of the scenic Tweed River FOREVER!!!!!!!!!!!!!!!!!!!!!! the PROJECT will discourage tourists like us who look forward to experiencing Abbotsford as a cultural icon that it is and not surrounded by a landscape blighted by a modern land development project. The PROJECT will destroy the area's tourist industry and will significantly impact local hotels, restaurants and other important enterprises crucial to the economic viability of the area/community.

We dream of a day where we will be able to visit this area JUST AS WE KNOW IT TO BE NOW.  
FOR THESE reasons we strongly object to the AGALA29 NETHERBARNs PROJECT!!!!!!!!!!!!!!

Sincerely,

Luis and LisaMarie Calderon
