Quick Comment:

Ludicrous to even consider this development. What other country would seek to deliberately damage one of its great cultural assets in this way? I refuse to believe there are not other far more appropriate sites in the area if we really must despoil our countryside with yet more ugly, intrusive housing developments. I have absolutely no connection to Abbotsford, but am tired of seeing shoddy, unimaginative private housing estates disfiguring our landscape

Many thanks for your email and apologies for not making it clear which development I was referring to. It is the Netherbarns housing development near Tweedbank.

Best wishes

Gavin
