Good morning Brigitte Guenier-Kruse

Thank you for emailing back however, **I do need for you to confirm the site by its site code or at least its name.**

I suspect that the site in question that you are interested in may be AGALA029 Netherbarns?

The Proposed Plan is split into two volumes, Volume 1 of the Proposed Plan contains the policies and can be viewed at the following link:

https://www.scotborders.gov.uk/downloads/file/7621/proposed_local_development_plan_volume_one (Please note you will need to click on the download now tab and open the pdf document).

Volume 2 of the document contains the settlement profiles and can be viewed at:

https://www.scotborders.gov.uk/downloads/file/7622/proposed_local_development_plan_volume_two

Once you have navigated yourself to this page, you will be required to click on the download now tab and as with volume 1 above, then open the pdf document.

Once you have opened volume two, you will need to scroll through the documents to the settlement profile for the settlement that you are interested in. There you will find further information on the site and the site requirements set out in the plan for taking the site forward for development.

Many thanks
