Quick Comment / Supporting Information

Leave a quick comment about the Proposed Scottish Borders Local Development Plan, or planning and development in general.....

Quick Comment:

I should like to object to the proposal that houses be built across from Abbotsford. (AGALA029 Netherbarns)

Abbotsford is world famous and part of its attraction is its magical quiet location. That special location should be maintained without new building. It is quite simply surely inappropriate. New housing is important but not where the plan suggests. An alternative should be found.
