Quick Comment:

Reference :AGALA029 Netherbarns.

I object strongly to the proposed development of 45 houses opposite Abbotsford House.

The Borders benefits hugely from this Heritage Site, one which has striven with significant funding and monumental work and good will to increase it's profile and offer to visitors both local national and international.

Our communities will be denuded, and robbed of the opportunities which are provided to enrich the life-blood of this area through this growing organisation, and the legacy of this hugely important author and man, embodied in the stones and ground of Abbotsford will be vandalised by invading the tranquillity of this landscape and natural habitat. Shroort-term action will kill the goose that lays the golden egg. Do not allow Abbotsford to be ruined.
