Quick Comment:

I object to the development of the Netherbarns site because the associated light, sound and visual intrusions will impact adversely on its unique heritage assets, historic setting and the cultural landscape of the Scottish Borders and Tweed Valley. This impact will reduce the enjoyment of visitors to Abbotsford and reduce the huge economic contribution which Abbotsford makes to the region. Tweed is the area's most precious natural asset and the vista should be preserved for future generations, linking Scott's heritage to the present and future. [REDACTED]
