### Comment on Sites in Settlements F to H

Which Site are you commenting on?

**Settlements F to H:**

Galashiels: AGALA029: Netherbarns: Housing

**What are your comments regarding this site?:**

I am against this development due to the negative impact it will have on Abbotsford House and its current stunning Scottish scenery. Before I moved to Galashiels I would frequently bring visiting foreign friends to visit Abbotsford and all commented on the setting being as stunning as the house. Any development which will be visible from the house can only have a detrimental effect on the areas natural beauty and historical importance. Once tourism starts to recover from COVID-19s devastating effects it will be more important than ever for sites such as Abbotsford to be supported by the local community as well as visiting tourists to recover and flourish for future generations to enjoy.
