Quick Comment:

I am adding my voice of objection to the housing development planned by the River Tweed. We often visit this area as tourists (bringing in income to the area) and it is a place of peace, calm, beauty and tranquility that ought not be spoiled by yet more housing and profit taking. It's lack of new builds is a unique feature which makes it a special place.

Keeping this green space as it is will ensure many more visits from us in the future.

Thank you for your consideration,
