#### Quick Comment / Supporting Information

Leave a quick comment about the Proposed Scottish Borders Local Development Plan, or planning and development in general.....

Quick Comment:

I don't see way you need to built 45 houses right in front of Abbotsford, the borders relies on tourism and its national beauty,we have Jedburgh and Kelso high schools waiting to be developed and most of Hawick's old mills still sit empty should we not be concentrating on developing these sites before ruining others.
