What are your comments regarding this site?:

I understand that, in 2018, Scottish Borders Council identified a suitable location for a new high school for Galashiels - namely the free space to the playing fields behind the current school.

I respectfully request that SBC reconsider adopting this plan, rather than their latest one - which would consume a large proportion of the green space of Scott Park which the citizens of Galashiels are currently free to enjoy.

In adopting the former plan, SBC would be saving both trees and green space - both moves in line with the measures it is vital we take in slowing the impact of climate change.
