Subject: Objection to GSGALA009

CAUTION: External Email

Hello,

GSGALA009
SGALA016
SGALA005

I wish to make an objection to the above local plans.

We moved and bought our lovely house in Galashiels nearly 3 years ago - and one of the main reasons was the outstanding beauty of the greenspace and woodland walk of The Policies Woodland, just a 5-10 minute walk from our home.

It is a gem of an area and it would be a tragedy to develop any part of it. The Policies should be one of Galashiels' pride and joy - to be cherished and protected.

If Scottish Borders go ahead with the plans - I would move, in disgust.

I strongly strongly object to these idiotic plans. Galashiels and Scottish Borders Council need to value this wonderful, beautiful greenspace woodland.

Please can you confirm that my email has been received and my comments and objection will be logged.

Yours

Shirley MacArthur
