Leave a quick comment about the Proposed Scottish Borders Local Development Plan, or planning and development in general.....

Quick Comment:

As a visitor, I am concerned about the proposed housing development opposite the Abbotsford Estate. A visit recently to this place impressed me concerning the legacy Walter Scott has left for his country. If the nation's ultimate response is to compromise his environment with speculative housing , I believe the nation is diminished through not honouring his legacy. On a practical level where do all the drains go, straight into the Tweed, renowned as a fishing river?
