**Quick Comment:**

It seems to me that the proposal AGALA029 Netherbarns to build 45 houses in close proximity to historic Abbotsford would be a serious mis-judgement by the Planning Authorities in the Borders.

The borders countryside is beautiful and the section around Abbotsford is no exception but the Planners hold the responsibility to nurture and protect the environs of our most excellent author, Sir Walter Scott's recently restored baronial styled home.

Please prevent any development occurring above ground which has the possibility of reducing the parkland to the ordinary.
