What are your comments regarding this site?:

I object to these housing plans, as they are directly opposite Abbotsford House. This house was built by Walter Scott and has been very important to visitors and locals since mid 1880s. It was built with views of the Tweed and this application would not be in keeping with these views. Abbotsford is a very important house and famous through out the world. It attracts thousands of tourist bringing income to the Borders. Recently the grounds have become very important to the local community attracted many, many people to walk and enjoy the estate and views cross the river.

Please do not build modern houses and spoil this view and have respect for Abbotsford and its historic legacy.
