What are your comments regarding this site?:

I respectfully associate myself with the planning comments submitted by the Abbotsford Trust. Abbotsford is the most important cultural site in Scotland. It is a site of European and global importance. Landscape is an essential part of the context of Abbotsford as it was integral to Sir Walter Scott's vision of Scotland.

Hon Lord Stewart, former chair of the Faculty of Advocates Abbotsford Library Project and member of the Abbotsford Trust Advisory Panel.
