Quick Comment / Supporting Information

Leave a quick comment about the Proposed Scottish Borders Local Development Plan, or planning and development in general.....

Quick Comment:

AbbotsFord is a hugely important and Precious historical site for the borders. It is not only the building but the setting that it sits within, that makes it quite so special. To develop opposite this historical home would have a devastating effect on its heritage and commercial viability. Tourism is a rare strength in the borders and something that should be protected.
