**Quick Comment:**

As a person who grew up in Galashiels I used to love going through the Polices whether it was with family, school outings or walking through to go to my friend's house in Balmoral. It is full of many habitats coexisting in the flora and fauna and has done for many, many years which helped enrich my life and I am sure many more to come. Why when the world can feel uncertain would you ruin such a diverse and beautiful site that all enjoy for mental health, physical health, educational and general good vibes too.
