Galashiels: SGALA005: Hollybush Valley: Longer Term Mixed Use

What are your comments regarding this site?:

I strongly object to having a road run through one of the few green spaces left in Galashiels.

I would also like to complain about the extremely poor communication of this idea to any nearby residents or Galashiels residents in general. Nearly no one knows about such a major change and it feels like Covid has been used to push this through without consulting the public.

I am amazed this proposal has gotten as far as it has without someone in the process pointing out how ridiculous it is. Green spaces in towns are vital, for physical, social, and mental well-being.
