To whom it may concern,  
I strongly object to the planning proposal AGALA039 Nether Barns.  
Everything about this planning proposal is to the detriment of this beautiful, unique and very precious heritage sight. I have enjoyed visiting this place many times. And I want not only my children, grandchildren, their children and grandchildren to to enjoy it. I want EVERYONE to continue to enjoy it. It was meant for this.  
Please do not do this!  
There is enough destruction the world. Please do not destroy this special part of Scotland.  
Yours sincerely,  
Jenny Pike ( Mrs)
