Dear Sir,
I have been a regular visitor to Abbotsford over the years and have enjoyed both the house and the surrounding land. It is a place of beauty and solitude.
I most strongly object to the proposal to build 45 houses in what is an area of natural beauty.
I feel also that the plan to plant a thin screen of trees, which would take years to mature, to hide the development is a very poor and inadequate proposal.

Yours faithfully,

Alex C. McWhinnie
