Dear Sir/Madam,

CONSULTATION ON PROPOSED LOCAL DEVELOPMENT PLAN

Thank you for taking the time to visit our consultation portal and entering your details. However, it has not been possible to register your submission to the Proposed Local Development Plan as your form was blank or contained insufficient detail in respect to your representation. Please note that to register any submission, it is necessary to specify the part of the plan/policy/site that you are making representation to. Therefore if you are objecting to a site, it is necessary to **confirm the site by its site code or at least its name**. This will then allow for your submission to be properly registered. If you would like to contribute to the process there is still time to do so. As you will be aware the representation period for the document is from 2 November 2020 until 25 January 2021. To assist with this process, you are welcome to submit your comments by replying to this email or by emailing localplan@scotborders.gov.uk.

Further information on the Proposed Local Development Plan can be viewed on the Scottish Borders Council website using the following link: www.scotborders.gov.uk/ldp2.

The Proposed Plan is split into two volumes, Volume 1 of the Proposed Plan contains the policies and can be viewed at the following link:

https://www.scotborders.gov.uk/downloads/file/7621/proposed_local_development_plan_volume_one (Please note you will need to click on the download now tab and open the pdf document).

Volume 2 of the document contains the settlement profiles and can be viewed at:

https://www.scotborders.gov.uk/downloads/file/7622/proposed_local_development_plan_volume_two

Once you have navigated yourself to this page, you will be required to click on the download now tab and as with volume 1 above, then open the pdf document. You will then need to scroll through the document to the settlement profile for the settlement that you are interested in. There you will find further information on the sites and the site requirements set out in the plan.

Only comments directly related to the Proposed Local Development Plan will be assessed. Any other comments will be placed on file and if required, passed on to the appropriate department for reference.

If you require any further information please contact the Forward Planning Team on [REDACTED]

Yours sincerely
