Comment on Sites in Settlements F to H

Which Site are you commenting on?

Settlements F to H:
Galashiels: AGALAO29: Netherbarns: Housing

What are your comments regarding this site?:

Abbotsford is a historic site built in an area of beauty. To build houses in view of Abbotsford takes away the joy many people experience when visiting. To say that planting trees in front of the development will hide the houses will not work, the only way that would be achieved is by planting a forest. Trees take a long time to establish then for at least six months of the year they would have no foliage.

What would you like to do now?
