Subject: Objection to AGALA028 Netherbarns

Sensitivity: Normal

CAUTION: External Email

I wish to add my objection to these proposals. I do not reside locally but am a frequent visitor to the area and Abbotsford is a much loved and very special place. The proposals are incongruous and ill founded in the particular respect of the sight lines and visibility. Reliance on tree cover to render housing invisible is quite simply astonishing.

Abbotsford is a key tourist attraction and the loss of its historic setting will contribute to considerable financial loss to tourist industry not only of the area but also Nationally and moreover will put Scotland into international ridicule.

Yours faithfully

Peter Shepherd
