What are your comments regarding this site?:

I write to express an objection to the planned development of the site opposite to the unique historical setting of the Abbotsford house and grounds. I have visited the setting of this site: to approve a scheme which impacts so intrusively on the tranquility and outlook of Abbotsford on the opposite bank of the river cannot do otherwise than destroy the enjoyment of our Scottish heritage for locals and visitors.

This is more than your overseeing of the destruction of yet another greenfields site in the area, rather a significant intrusion into the attractiveness of a world heritage destination.

Please be cognisant of and sympathetic to the fragility and scarcity of our diminishing resources.
