Quick Comment / Supporting Information

Leave a quick comment about the Proposed Scottish Borders Local Development Plan, or planning and development in general.....

Quick Comment:

I am fully against the proposal to redevelop parts of the gala policies. I feel that this is a step backwards in environmental and wellbeing agendas, green space and wildlife are essential to the physical and mental health of people. The policies are green space to be enjoyed by us and the wildlife, losing large parts of this to development is a huge step backwards for Galashiels. This is not something I want to see happen to the town.
