What are your comments regarding this site?:

I object to the proposed housing scheme in the strongest possible terms.

For once I would like see those that make such decisions to look at the long term consequences rather than the short term gain.

Consider what your grandchildren and great grandchildren would think if you go ahead with the scheme!

Abbotsford will still be there when they grow up and when they look toward the Tweed will they say , " What a magnificent view, uninterrupted, as Sir Walter Scott would have experienced." Or will they say, " What a shame we can no longer enjoy that experience like my ancestors.... shame on them."
