**Quick Comment:**

Having been to the wonderful Borders many times , visiting the towns , beautiful houses and gardens and getting married in Peebles. I have to say how very special this wonderful area is. One of our most favourite places is Abbotsford , the house, the grounds and stunning views. Without doubt each aspect of the views from the house and from the views looking st the house itself are simply a feast for the eyes. Irreplaceable in everyway . Please do not allow any new development spoil any aspect for anybody's pleasure. Visitors will see the beautiful Borders from abbotsford with the centuries old woodlands about it , new development has to be but surely not at the expense as such a sublimely beautiful wooded , farmed and historic vista. Abbotsford nestles in its environment in the most perfect way . Don't spoil it. Be proud you did the right thing . Safeguard the historic landscape and proudly develop your much needed new housing in another place. Visitors like myself and those who have been and those yet to come will thank you for not changing the beauty that is Abbotsford in the stunning Borders
