Leave a quick comment about the Proposed Scottish Borders Local Development Plan, or planning and development in general.....

Quick Comment:

I have serious concerns about the Netherbarns development being directly opposite Abbotsford house and its historic view towards the river and woodland. Affordable housing is vital for local residents and economies but not at this cost. I urge a complete re- think on the location. Abbotsford is an important local landmark and visitor attraction which provides employment and other revenue to the area. I object to this development plan.
