What are your comments regarding this site?:

I have never heard anything so ridiculous, your taking away 90% of the Scott Park to update the high school! (noone there the now to knock down the existing one and build on that site kids can keep learning at home or other sbc building in time being) , turning the site of swimming pool into a 90 car park area and NOW planning on putting a road right up through the Galashiels policies.. Your ruining our green space and filling it full of pollution and adding dangers for local children, wildlife and animals.

Build you houses at holybush but PLEASE don't put a road through our lovely policies.

The Traffic on Scott Street is bad enough!

School isn't in use for 6 wks of the summer holidays knock it down and rebuild on existing site if need longer kids are used to working from home during covid. Use other sbc buildings for temporary class rooms if needed... NO need to take our beautiful open green space in Scott Park.. I walk my dog 3x a day in the park I meet others dogs mix great on warm days park full of family picnics, playing games etc... Local scout group use it most dry Wednesday nights for different badge work. I see bootcamp every Saturday morning it's a well used park with lots of wild life, foxes, rabbits, birds, squirrels and bat's
