Quick Comment:

We are pleased to see that the Council has produced such a detailed local development plan, however we are extremely disappointed to note that the LPD2 fails to mention the climate emergency.

We are passionate about the environment around us and in particular want to ensure that our green spaces, wildlife corridors, trees, woodlands and shrub-lands continue to be protected.

We implore the Council to include this as part of their policy and not to allow any more trees to be chopped down in conservation areas.
