What are your comments regarding this site?:

I am against this proposal and wish to log my account objection to one if the most well used green space in Galashiels, the Policies. Please do not build a road through them. I also find it quite ironic that SBC have introduced a lower speed limit to encourage people to walk, cycle jog etc. and make it more accessible yet on the other hand want to remove the green space they are supposed to access. I am also highly concerned about the possibility of similar plans around HollyBush and Gala Hill. This road is well used by pedestrians and cyclists and having more traffic on that road will just make it more dangerous.

What are your comments regarding this site?:

As mentioned in an earlier comment I strongly object to the Policies being destroyed to make way for a road that isn't really required.

What are your comments regarding this site?:

I strongly object to any plans for this road that will moat on the Policies and Gala Hill and do not wish this development to go ahead

What are your comments regarding this site?:

See previous comment. The Hollybush Road is used by various groups to connect with green space and fireproof exercise such as walking, jogging/running and cycling and it would be a shame to use this much used resource. [REDACTED] the road leading out to a Hollybush so I see how many non motorists use this road and it is a lot.
