Quick Comment:

AGALA029 Netherbarns: I object to the development of the Netherbarns site because its visual appearance will impact adversely on the unique heritage assets, historic setting and the cultural landscape of the Scottish Borders and Tweed Valley. The enjoyment of tourists to Sir Walter Scott's home at Abbotsford and the surrounding area will be reduced and I and others like me will vote with our feet and no longer make this area of Scotland a holiday destination. This will, of course have an enormous economic effect on the area and local businesses will in turn suffer. I disagree with your statement that in summer the trees will hide the new housing estate; indeed you are incorrect in assuming they will be concealed since the treebelt is insufficient to do this. Furthermore, there will be other intrusions from light, sound, pollution and traffic.
