What are your comments regarding this site?:

I wish this to be recorded as an objection to the Planning Application for the above site.

Abbotsford is of huge historical interest not locally but certainly in Scotland and the UK.

It is located in a peaceful area with excellent views of the surrounding river Tweed and woodlands, where many visitors avail themselves of the walking are and visit the property.

I consider the development would be detrimental to the ambience of the area and should not be allowed.
