Quick Comment:

I am wholly in opposition of plans to use Scott Park or Gala Policies for anything other than green space. This includes buildings and through roads. In recent years SBC has been annihilating public green space as though it's a nuisance and with no thought for the people or future. I used to live in [REDACTED] and had no outdoor space of my own. Resources such as these were critical to my physical and mental wellbeing. You should also consider that this is a poverty and inequalities issue. Many people are poor or disabled and cannot access the countryside. I am disgusted in general at this proposal and its sadly very much in line with the destruction of Tweedbank that has already taken place.
