Subject: Netherbarns Housing Development - Ref:LDP2Consultation/AGALAo29/Netherbarns

Sensitivity: Normal

CAUTION: External Email

Dear Sirs, On behalf of my wife, Mrs Flora Kerr and myself, we wish to lodge our objections to the above proposed scheme at Netherbarns. We are both proud of our Border heritage and recognise the importance of Sir Walter Scott and his home to our local community. Visitor numbers are crucial in this day and age and any development which impacts adversely on this factor is not welcome. The setting of Abbotsford House and its gardens must be protected. Yours faithfully, (Mr) Thomas Kerr, [REDACTED]
