Quick Comment:

AGALA029 Netherbarns Proposal is forever going to ruin peacefulness of the location for the sake of a 45 houses that with some thought could be placed elsewhere. This historic house is an important asset to the heritage of the people in the borders and provides escapism and enjoyment for all that visit because of its regal proportions and environs allowing people to escape the mundanity of their life and be transported to another time. Please dont think that a few trees will hide the hustle and bustle of a busy development ruining the peace and tranquility and there for the enjoyment of the visitors and tourism opportunities.
